

Acai Bowl with Fresh Berries

⌚ 10–15 Min   

Preparation

- 1 Cut the bananas into small pieces. Add to a blender with the 2 cups of berries, the açai powder, the plant-based milk and the Kotányi spices.
- 2 Blend thoroughly until a pink/purple-colored purée is achieved. If the consistency is too thick, add a little more of the plant-based milk.
- 3 Add the finished mixture to a bowl.
- 4 Then garnish with a topping of chia seeds, fresh berries, linseed and cocoa nibs.
