

Cucumber avocado dip

5–10 Min

Preparation

1. Peel and finely chop the onion.
2. Peel and deseed the cucumber and cut into small cubes.
3. Cut the avocados in half, remove the stones and scoop out the flesh with a tablespoon.
4. Mash together with the lemon juice. Stir in the onion, avocado spice mix and diced cucumber.
5. Leave to infuse in the fridge and season to taste before serving.
