

Grilled Corn with Cashew Dip

🕒 30–35 Min   

Preparation

- 1 To make the cashew dip, soak the cashews in water for at least 2 hours. Then drain and blitz with the sour cream, some water and a pinch of sea salt in a mixer until smooth.
- 2 Then heat up some water with a pinch of salt in a tall pan. Cook the corn on the cob over a low heat until soft and allow to drain off.
- 3 Now pat the corn on the cob dry with a piece of paper towel, brush with olive oil and rub with a little garlic powder. Grill over direct heat for around 5 to 10 minutes equally on all sides.
- 4 Then garnish the corn generously all over with the cashew sauce. Season with Parmesan, a pinch of smoked paprika and chopped cilantro.
