

Wholemeal Spelt Focaccia with Olives

🕒 60–90 Min   

Preparation

- 1 Sift the flour into a mixing bowl. Add the yeast, salt and sugar.
- 2 Add the water and the olive oil and knead into a smooth dough.
- 3 Pit the olives, roughly chop them and then add them to the dough and quickly knead through.
- 4 Sprinkle the ball of dough with flour, cover with a dish towel and leave to prove in a warm place for 30 minutes.
- 5 Place the dough onto a baking tray lined with baking parchment and shape into a 2 cm-thick rectangle.
- 6 Use your fingers to make some holes in the dough, cover and allow to prove for a further 30–40 minutes.
- 7 Preheat the oven to 220°C (428°F) and bake the focaccia for 15 minutes using the convection oven setting until golden brown. Place a glass of water in the bottom of the oven to help get a good rise.
- 8 Meanwhile, mix the olive oil with roughly chopped rosemary, salt and extra-strong garlic.
